Invited Assistant Investigator/ Investigador Auxiliar Convidado

Financed by a contract between QREN and the University of Coimbra (UC), UC invites applications for one position of Invited Assistant Investigator/ Investigador Auxiliar Convidado to work in the project New Strategies to manage Brain diseases to be developed at the Center for Neuroscience and Cell Biology of the University of Coimbra. The gross salary will be in the range of 2900 €/ month for a period of 6 months renewable up to a total of 24 months.

Description

The University of Coimbra (UC) wishes to hire an investigator to develop collaborative research within the field of the project New strategies to manage Brain diseases at the Center for Neuroscience and Cell Biology (CNC). The candidate should hold a PhD in Life or Health Sciences or related areas, have at least 4 years of post-doctoral experience and have developed research activity in a foreign Research Institute of reference. Preference will be given to candidates with: i) proven interdisciplinary background (supported by publications); ii) grant funding; iii) experience in training graduate students; iv) research activity in a foreign Research Institute of reference; v) plan of integration in this research project within CNC (Motivation Letter).

The candidate is expected to develop scientific activities in tight collaboration within CNC groups and to participate in post-graduate teaching and training, to allow for future applications supporting his/her insertion as a UC/CNC investigator. The selection will involve a curricular evaluation (AC) taking into account the curriculum (CV) and the fitting of the profile (PF). Candidates with the best evaluations will be called for an interview.

Applications should be sent by e-mail to Dr. Silvia Sousa (silvia@cnc.uc.pt) until the 20th of June, including a Motivation Letter detailing training and laboratory experience as well as plans for integration within CNC, Curriculum Vitae with academic history, publications, funding, copy of degree certificates and contact of 2 referees. Candidates will be notified by e-mail.

Selection Committee:
Catarina Resende de Oliveira, Luís Pereira de Almeida, Ana Cristina Rego, Ana Luísa Carvalho
